## ADVENTURE ALTERNATIVE MEDICAL FORM – confidential

The following questions are designed to assist us in any medical situation involving you. For this reason we ask that you provide all relevant details at this time, on a separate sheet if necessary, and advise us of any changes in your health/fitness between now and the date of departure.

The information you provide on this questionnaire will be accessed only by the Expedition Leader and Administrator. Except as directed by your own Doctor, no medical condition or handicap will automatically prevent anyone joining an Adventure Alternative Expedition; however it is important in planning the requirements of the expedition that we know about any such conditions. Please be aware that a 'certificate of fitness' may be required from your doctor in some cases and you will be advised if this is necessary.
